School of Engineering

Report of Gear Shift Workshop

Date: 19th and 20th March 2022

Venue: Seminar Hall, G Block, Anurag University

Speakers:

- Dr Randir Mishra, strategic Advisor Partner, paprika Maps, Bengaluru,
- Dr U Balaji, Dean SoM, AU
- Dr P Murthy, Professor SoM, AU

No.of Participants: 91

Description :

The workshop aim is to identify the Morals, Goals, values, and action plans for the growth of self and the University.

The workshop has given deep insights into the various concepts including SNAC and Others.

During the Workshop 8 key Components were identified to work vertically towards the growth and improvement in the quality of the components.

1. Research Paper Publications & Patents
2. Research- Funding Projects
3. Collaborations

4. Consultancy
5. Learning and Development
6. Placement
7. Entrepreneurship & Technology Leadership
8. Revenue & Profitability

The 8 teams were formulated to work vertically on the components. The Presentations on the components were scheduled on the second Day of the workshop i.e., 20th March 2022. All the presentations on the components were moderated by the speakers and gave the valuable feedback for further refinement. In connection to these presentations, second spell of presentations were scheduled on 8th April 2022. The presentations were executed in offline mode and speakers attended thru virtual mode.
